

# WELCOME TO HOMEBIRTH NSW !

## WELCOME ON BOARD!

Yay, you've joined us at Homebirth NSW! Thank you for your support of our organisation and all we do. We are the only homebirth advocacy organisation in NSW and are connected with the main maternity consumer group organisations in Australia. What does that mean? It means that if you have a problem accessing homebirth, you come to us and we rally, campaign and lobby for you! Your membership not only gives you exclusive member benefits, but it also supports our organisation to keep fighting for improved access and affordability to homebirth in NSW and Australia!

We hope you enjoy the exclusive benefits we have on offer for you as a valued member of our organisation. In addition to receiving your welcome bag you'll also receive two copies of Birthings e-magazine each year, access to all past copies of Birthings (we are up to 140 now!) and access to our members only section of our website which includes discounts to an array of beautiful Australian businesses as well as our own online store. Read below for more information on how you can get your login and start browsing!
